

Ohio CIP CLFC Community Implementation Collaborative Frequently Asked Questions (FAQ)

1. I am writing to ask a clarifying question regarding the Children of Incarcerated Parents CLFC funding opportunity. Could you advise us on the cost of the five-day CLFC Facilitator Training? And if there is a cost associated with it is that an expense that the funding will cover?

I appreciate your interest in the Ohio CIP RFP. If your organization has been awarded and your staff needs the CLFC Training, please write about that in the proposal and list the staff to be trained. The CLFC Training will be at no cost, however, travel to and from the 5-day, 8:30 am-5:00 pm training is not covered. The cost associated with the CLFC Training may be added to your proposal.
